

# CALL FOR PAPERS

## ICPEI 2026 The 8<sup>th</sup> International Conference on Power, Energy and Innovations

**November  
4-6, 2026**

Mahasarakham University  
Maha Sarakham, Thailand

### Innovation

- IT and IoT innovation
- Nano technology
- Material engineering
- Information engineering
- Technology for big data
- Other related topics

### Important Dates

### Power

- Power quality
- Smart grid technologies
- High voltage engineering
- Power system management
- Modeling, analysis and operation
- Motor drives and motion control
- Power transmission and distribution
- Switch-mode power supplies and UPS
- Lightning protection of power systems
- Planning and operation of power systems
- Power system dynamics, stability and control
- FACTs
- Other related topics

### Energy

- Wind energy
- Biogas and biomass
- Solar electricity
- Hydrogen and fuel cells
- Hybrid energy systems
- Solar thermal applications
- Renewable energy technologies
- Energy policy and management
- Power electronics
- Modelling and simulation
- Energy conversions
- Battery and energy storage
- Other related topics

Abstract  
Submission  
Deadline

**July 15,  
2026**

Notification of  
Acceptance

**August 5,  
2026**

Early Bird  
Registration  
Deadline

**August 15,  
2026**

Full Paper  
Submission  
Deadline

**September 10,  
2026**

Conference  
Dates

**November 4-6,  
2026**

### Welcome to ICPEI2026

The 2026 International Conference on Power, Energy and Innovations (ICPEI 2026), organized by Electrical Engineering Academic Associations (Thailand) EEAAT and Mahasarakham University (MSU), technical support by IEEE Thailand Section and IEEE PES-Thailand Chapter. ICPEI is the conference of the Power, Energy and Innovations and provides a forum for researchers and engineers involved in electric power and energy engineering to share ideas and results.
