

CALL FOR PAPERS

The 2026 8th International Conference of Power, Energy and Innovations (ICPEI 2026)

ICPEI 2026

November
4–6, 2026

Mahasarakham University
Maha Sarakham, Thailand

Innovation

- IT and IoT innovation
- Nano technology
- Material engineering
- Information engineering
- Technology for big data
- Other related topics

Important Dates

Submission
Deadline for
Manuscript

July 15,
2026

Notification of
Acceptance

August 5,
2026

Camera-ready
Submission
Deadline

August 15,
2026

Early Bird
Registration
Deadline

September 10,
2026

Conference
Dates

November 4–6,
2026

Power

- Power quality
- Smart grid technologies
- High voltage engineering
- Power system management
- Modeling, analysis and operation
- Motor drives and motion control
- Power transmission and distribution
- Switch-mode power supplies and UPS
- Lightning protection of power systems
- Planning and operation of power systems
- Power system dynamics, stability and control
- FACTs
- Other related topics

Energy

- Wind energy
- Biogas and biomass
- Solar electricity
- Hydrogen and fuel cells
- Hybrid energy systems
- Solar thermal applications
- Renewable energy technologies
- Energy policy and management
- Power electronics
- Modelling and simulation
- Energy conversions
- Battery and energy storage
- Other related topics

Welcome to ICPEI2026

The 2026 8th International Conference of Power, Energy and Innovations (ICPEI 2026), organized by Electrical Engineering Academic Associations (Thailand) EEAAT and Mahasarakham University (MSU), technical support by IEEE Thailand Section and IEEE PES-Thailand Chapter. ICPEI is the conference of the Power, Energy and Innovations and provides a forum for researchers and engineers involved in electric power and energy engineering to share ideas and results.
